

2021 Composition Contest Theme:

Life on a Farm

Write a composition that has something to do with life on a farm. It could describe a farm animal or animals, planting, growing, or harvesting, storms, or anything else that inspires you that is related to a farm. Your music could describe a specific event or thing, tell a story, or just create a mood.

You must write a few sentences to describe your music. Entries will be divided into two divisions: ages 10 and under and 11 and up. Results will be announced in the May/June issue. You must subscribe to *Piano Explorer* to enter the contest. Check the rules on the next page carefully. Good luck!

To enter the composition contest you must submit this form (signed by both the student and a parent or guardian) or a letter including the same wording. (A pdf that you can print out is available at www.peforkids.com on the January Kids page.)

The piece titled _____ was composed solely by _____. It does not use music from any other composition(s), published or unpublished.
